## Conditions of participation

### 1. Conference site

We are guests in schools and surrounding institutions. We treat the houses as if they were our own and leave them as we would like to find them.

### 2. Overnight stay

Separate dormitories are provided for girls and boys under 18 (in accordance with the Youth Protection Act). Only young people and children may stay on the conference site.

### 3. Electronic devices

We would like to have a conference with as little use of mobile phones, smart phones and other electronic devices as possible.

### 4. Drugs / Smoking

The conference is free of alcohol and drugs. Smoking is prohibited on the entire conference site. There will be separate smoking areas.

### 5. Corona measures

Depending on the situation, we will have a hygiene concept at the conference, which we may have to update on an ongoing basis. Further information can be found on our website:
